# Our Vision

At DD College, our vision is to create an educational environment where learning goes beyond textbooks and classrooms. We aim to nurture students into confident, skilled, and responsible individuals who are ready to face real-world challenges with clarity and purpose.

We believe education should be accessible, practical, and value-driven. By combining academic excellence with skill development, personality enhancement, and ethical grounding, we strive to shape individuals who are not only career-ready but also life-ready.

Our focus is on empowering students from all backgrounds with opportunities that are affordable yet impactful—ensuring that financial limitations never become a barrier to quality education and growth. Through continuous learning, discipline, and guidance, we aspire to build a generation that thinks independently, acts responsibly, and contributes meaningfully to society.

# THE LEADERSHIP INSIGHT

For over two decades, D.D.College has stood as a beacon of inclusive, transformative education in the heart of Dehradun. What commenced in 2006 as a modest degree college has, through an unwavering commitment to academic excellence and social equity, evolved into a distinguished postgraduate institution with a 20-year legacy of nurturing intellect and character.

At D.D.College, we believe that education is not a privilege but a fundamental right. Our founding vision remains resolute: to provide affordable, quality education to every learner, with a special emphasis on uplifting students from underprivileged and diverse backgrounds. We foster an accessible and welcoming academic milieu where financial constraints never impede potential.

We champion an inclusive ethos that reveres diversity and ensures parity. Every achievement is celebrated, every learner is valued, and every classroom is a safe, supportive, and stimulating space. We maintain a congenial atmosphere that fosters a profound sense of belonging among students and faculty alike.

As Chairman, I reaffirm our pledge: to empower young minds with knowledge, instill confidence, and inspire responsibility, so they emerge as well-rounded, independent learners prepared to lead. For at DD College, a joyful mind paves the way for a successful life. We welcome you to join our legacy of learning, leadership, and limitless possibilities.

**Jitendra Singh Yadav**  
(Chairman)

**D.D. EDUCATIONAL GROUP**

# PRINCIPAL'S MESSAGE

D.D. College ensures that teaching and learning practices are consistently reviewed to meet the evolving needs of our students. Our faculty members are highly experienced, motivated, and deeply committed to academic excellence. We foster a vibrant culture of inquiry, innovation, and integrity, and maintain a positive, disciplined academic environment where students have ample opportunities to hone their skills.

D.D. College currently offers undergraduate, postgraduate, and diploma programmes across Sciences, Commerce, and Humanities, along with professional courses including B.Ed., Computer Applications, Agriculture and Yoga.

Beyond classroom teaching, our faculty provides students with updated subject material and guidance to help them navigate the rapidly changing education landscape and employment market. Our faculty stays abreast of current trends and works closely with the administration to design action plans that bring out the best in students and staff alike.

Our pedagogy delivers results: year after year, our students secure top university-level positions, reflecting the rigorous yet nurturing environment we provide.

With an affordable fee structure, we ensure that quality education remains accessible to all. We believe in regular communication with parents and guardians to keep them informed of their ward's progress. We also encourage every student to participate actively in extracurricular activities organized throughout the academic year.

**Dr. Jyotsna Ramola**  
Principal  
D.D. College, Dehradun

Law is the foundation of a civilized society. It safeguards rights, preserves justice, strengthens democracy, and ensures social harmony. The true purpose of legal education, therefore, is not merely to produce legal professionals, but to nurture individuals who possess wisdom, integrity, compassion, and the courage to uphold what is right.

At D.D. Law College, we are committed to creating an academic environment where knowledge is guided by ethics and learning is enriched by discipline, professionalism, and social responsibility. Our objective is to equip students with a strong understanding of legal principles while developing the analytical ability, advocacy skills, and leadership qualities essential for the legal profession in the modern world.

In today's dynamic legal landscape, excellence demands far more than classroom learning. It requires critical thinking, practical exposure, intellectual curiosity, and a commitment to continuous growth. Through academic rigor, moot courts, legal aid initiatives, seminars, and co-curricular activities, we strive to prepare our students to meet the evolving challenges of the legal field with confidence and competence.

We firmly believe that the legal profession is a noble service to society. Whether our students choose careers in advocacy, judiciary, corporate law, public service, or academia, we aspire to instill in them a deep respect for constitutional values, professional ethics, and the rule of law. As Principal, I take great pride in leading an institution that is dedicated to shaping future legal professionals and responsible citizens. I warmly invite students to become a part of this journey of learning, character-building, and excellence, and I am confident that their association with D.D. Law College will inspire them to achieve distinction in both profession and life.

I extend my heartfelt wishes to all students for a bright, successful, and meaningful future.

**Dr. Praveen Kumar Rathi**  
Principal  
D.D. College of Law, Dehradun

# ABOUT THE COLLEGE

D.D. Educational Group, situated in the heart of the city of Dehradun, has acquired great heights and glory over a short period of time and is making significant contributions in the field of teaching using scientific methods and technological aids.

This achievement is due to the untiring efforts of our mentors, Chairman, Mr Jitender Singh Yadav; Chairman Academics, Dr V.K. Tyagi; Principal, Dr Jyotsna Ramola and the teaching and non-teaching faculty of the college. They have been instrumental in promoting quality education at D.D. Educational Group and under their guidance, the college which began with 40 students is now one of the renowned institutions of Dehradun.

With this notion of dedication towards providing quality education, D.D. Educational Group has embarked on a mission to bring about qualitative changes in the society by empowering the youth, the future of the nation. The main objective is to take education to that segment of society where economic conditions put hurdles for students to take up higher studies.

We, at D.D. Educational Group, believe in wholesome personality development of every student of our college, for which we provide a supportive environment, experienced faculty, career guidance, and placement. We also provide several freeships and financial help to needy and deserving students.

Today we offer more than 25 courses and our students have been selected in a variety of fields, including Army, Air Force and Medicine. Every year we register an increase in the strength of students and faculty members. We have signed

MOUs with Dor foundation, we offer studies Centre for Uttarakhand Open University and we also conduct examinations for UPSC, UKSSC, JEE, NEET, etc.

We have conducted five national seminars with exemplary success, providing the ground for scholarly academic discussions on various burning issues. The faculty and students make tremendous efforts towards commemorating each important day of the year and also strive towards excellence by participating in various extra-curricular activities.

Apart from teaching and learning in the classroom, we also encourage our students to take part in field studies and social work. We try to showcase the immense talent hidden in every student, and this indeed is the outstanding specialty of D.D. Educational Group.

# BBA

**BBA is a comprehensive undergraduate program focused on developing essential business skills, knowledge, and a strong foundation in various disciplines of business administration.**

The **Bachelor of Business Administration** program at **DD College** is a three-year (6 Semesters) undergraduate program designed to provide students with a broad understanding of business concepts and practices. The program offers a combination of theoretical knowledge and practical skills to equip students with the necessary tools to excel in the business world. It covers subjects such as Marketing, Finance, Human Resource Management, Entrepreneurship and Business Ethics.

## KEY HIGHLIGHTS

- **Diverse Curriculum:** The BBA program offers a diverse curriculum that covers various aspects of business administration. It includes courses in marketing management, financial management, organizational behavior, business communication, operations management, and strategic management. The curriculum is regularly updated to keep pace with the rapidly evolving business environment.
- **Industry-Relevant Skills:** The program focuses on developing industry-relevant skills that are in high demand from employers. Students gain practical knowledge and skills through real-world case studies, projects, internships, and industry visits. They learn to analyze business problems, make informed decisions, and develop effective strategies.
- **Experienced Faculty:** The BBA program is taught by experienced faculty members who have expertise in their respective fields. They bring a combination of academic knowledge and industry experience to the classroom, ensuring a well-rounded education for the students. Faculty members also provide mentorship and guidance to help students achieve their academic and career goals.
- **Guest Lectures and Workshops:** The college regularly organizes guest lectures and workshops by industry experts and renowned professionals. These sessions provide valuable insights into the latest trends, challenges, and opportunities in the business field. Students get the opportunity to interact with industry leaders and expand their network.
- **Soft Skills Development:** In addition to business knowledge, the program focuses on developing students' soft skills, including communication, teamwork, leadership, and critical thinking. These skills are essential for success in the business world and are emphasized throughout the program.
- **Experiential Learning:** The program emphasizes experiential learning to bridge the gap between theory and practice. Students have opportunities to participate in internships, industry projects, and simulated business environments. These experiences enhance their understanding of business dynamics and develop their problem-solving and decision-making abilities.

## CAREER PROSPECTS

- Graduates of the BBA program can pursue a wide range of careers in the field of business. A few career paths that BBA graduates can pursue include:
- **Business Analyst:** Business analysts analyze market trends, assess business performance, and make recommendations to improve operational efficiency and profitability.
- **Marketing Manager:** Marketing managers develop and implement marketing strategies to promote products or services, conduct market research, and oversee marketing campaigns.
- **Human Resource Manager:** Human resource managers are responsible for managing employee recruitment, training and development, performance evaluation, and ensuring compliance with labor laws and regulations.
- **Project Manager:** Project managers plan, execute, and manage projects, ensuring timely completion, budget adherence, and quality deliverables.

- **Banker:** BBA graduates can pursue careers in banking, working as loan officers, relationship managers, or financial advisors in banks and financial institutions.
- **Entrepreneur:** BBA graduates have the knowledge and skills to start their own businesses and become entrepreneurs in various industries.
- **Business Consultant:** Business consultants provide expert advice to organizations on various aspects such as strategy, operations, marketing, and organizational development
- **Operations Manager:** Operations managers oversee the day-to-day operations of an organization, streamline processes, and ensure efficient production and delivery of goods or services.
- **Sales Manager:** Sales managers lead sales teams, set sales targets, develop sales strategies, and monitor sales performance to achieve revenue goals.
- **Financial Planner:** Financial planners help individuals and organizations manage their finances, plan for investments, retirement, and wealth management.

## **THE DEPARTMENT OF COMMERCE**

Is dedicated to academic excellence and holistic student development. It offers undergraduate and postgraduate programmes designed to equip students with a strong foundation in commerce, along with practical skills and industry-relevant knowledge. The curriculum is structured to provide a deep understanding of core subjects such as Accounting, Economics, Finance, Taxation, Management, Insurance, and Company Secretaryship.

### **UNDERGRADUATE PROGRAMMES**

#### **BACHELOR OF COMMERCE (B.COM)**

The B.Com programme aims to develop students' managerial competencies and analytical skills across various domains of commerce. Through a well-rounded curriculum, students gain insights into Accounting, Economics, Finance, Taxation, Management, and Insurance. This programme serves as a strong platform for those seeking careers in business and commerce.

**DURATION : 3 YEARS (6 SEMESTERS) Eligibility: 10+2**

#### **BACHELOR OF COMMERCE (HONOURS)**

B.Com (Hons.) is a specialised programme designed for students aspiring to pursue professional careers in Commerce, Accounting, Finance, Banking, and Insurance. It is particularly beneficial for those preparing for qualifications such as Chartered Accountancy, Cost Accountancy, and Company Secretaryship.

**DURATION : 3 YEARS (6 SEMESTERS) Eligibility: 10+2**

### **POSTGRADUATE PROGRAMMES**

#### **MASTER OF COMMERCE**

The M.Com programme offers in-depth academic training in Commerce, Accounting, Management, and Economics. It is ideal for graduates who wish to advance their knowledge, enhance their career prospects, or pursue research and teaching in the field of commerce.

**DURATION: 2 YEARS (4 SEMESTERS) Eligibility: B.Com or an equivalent in the Commerce stream**

The Department of Commerce fosters an environment of learning, innovation, and professional growth, preparing students to meet the evolving demands of the corporate and financial world.

- Regular seminars, debates, legal awareness programs, and student presentations
- Court Visits and Internship Guidance for practical exposure

## FIRST NATIONAL SEMINAR (December 10-11, 2016)

### Topic: Rural And Urban Issues in India

The Seminar reflected the various rural and urban issues causing concern in the present times in India. Focus was laid upon aspects like urban hydrological system, solid waste generation, urbanisation and health issues, industries in rural Uttarakhand, the issue of demonetisation and various issues and challenges of development in rural areas.

The objective of the seminar was to provide a platform for discussing these issues so that policy matters could be formulated on this basis.

## SECOND NATIONAL SEMINAR (December 29-30, 2017)

### Topic: Mountain Economics and Environment Change in Himalayas

It was a scientific event for sharing and discussing the challenges of research in mountain system. Obtaining sustainability in development and extending the benefits of mountain economics to the hill people are major issues before scientists and policy makers

The seminar focused upon addressing the actual state of mountain science. It was an attempt to bring together the Himalayan community and a broader national community of scientists and stakeholders and to establish information and collaboration networks.

## THIRD NATIONAL SEMINAR (December 30-31, 2021)

### Topic Migration and Sustainability of Rural Settlements

The seminar was a scientific meet of scholars for discussing challenges of migration and the resultant transformation in the rural settlement.

The seminar addressed the actual state of migration process and how its conceptual and practical development could succeed in understanding the core issues of rural sustainability.

## FOURTH NATIONAL SEMINAR (January 6-7, 2023)

### Topic : Climate Change Disasters and Increasing Vulnerability in Western Himalayas

The Seminar was organized with the basic objective of developing the broad database by scientists and scholars after deliberations on the subject.

It was aimed at the application of scientific models in the analysis of data on the problem of climate change would help planning agencies of the government to mitigate the disastrous caused by climate change.

## FIFTH NATIONAL SEMINAR (January 5-6, 2024)

### Topic: Stress of Urban Expansion and Disasters in Uttarakhand

The seminar was an attempt to scientifically analyse the stress caused by urbanisation on infrastructure, formation and implementation of policies to manage the physical growth of urban settlements in Uttarakhand.

The situation caused by rapid expansion of cities in India has forced the planning agencies of the country on high alert to prepare such plans for the cities that their growth pattern does not create disasterous situation.

## SIXTH NATIONAL SEMINAR (January 10-11, 2025)

### Topic: Economy and Environmental Sustain ability in Mountains

The seminar was organised to focus on mountains and their fragile ecosystem. Geographers and environmentalists in particular have shown great interest in the economy of the mountains and sustainability of the environment.

However, no significant result in understanding of the environment. However, no significant result in understanding the related issues has been found which could encourage the mountain population in participating in the process of environment sustain ability.

# CLUB AND CAMPUS ACTIVITIES

Our institution strongly encourages students to engage in a wide range of academic, cultural, social, and sports-related activities throughout the academic year. These opportunities help students enhance their leadership, creativity, confidence, and interpersonal skills while building a strong sense of community. All activities are conducted under the guidance and mentorship of faculty members.

**A) Departmental Societies:** Each academic department has a dedicated student-led society. These societies organise various academic activities such as debates, quizzes, essay writing, paper presentations, seminars, field visits, and exhibitions.

- **Commerce Society**
- **Science Society**
- **Art Society**
- **B.Ed Society**
- **Agriculture Society**
- **Law Society**
- **Computer Science Society**
- **Yoga Society**

**B) Cultural Society:** The Cultural Society organises vibrant events including dance, drama, music shows, fashion shows, and literary fests. It also takes charge of celebrating major national and cultural festivals like Independence Day, Republic Day, Deepawali, and Holi.

**C) Sports Club:** The Sports Club organises inter-class tournaments in football, volleyball, cricket, badminton, table tennis, and athletics. Students are awarded medals, trophies, and certificates on Annual Sports Day.

**D) Training and Placement Cell:** This cell empowers students by conducting pre-placement training, aptitude tests, mock interviews, resume-building sessions, and workshops. It also facilitates campus placements by inviting reputed companies and institutions.

**E) Counselling Cell:** A dedicated Counselling Cell provides psychological support and career counselling to students facing personal, academic, or emotional challenges. Professional help is available to ensure students' well-being.

**F) NSS Unit:** Students can participate in community service and national-building activities through the **National Service Scheme (NSS)**, enhancing their sense of social responsibility and discipline.

**G) Literary Club:** The Literary Club fosters a love for reading, writing, and public speaking. Activities include creative writing, poetry recitations, elocution, debates, and book discussions.
